

**SWINBURNE UNIVERSITY OF TECHNOLOGY  
LICENCE TO USE COPYRIGHT MATERIAL**

I (name) \_\_\_\_\_ of (address) \_\_\_\_\_

\_\_\_\_\_

acknowledge that Swinburne University of Technology ("Swinburne") is hosting NetGames 2007: 6<sup>th</sup> Annual Workshop on Network Systems Support for Games and plans to make the papers of the workshop available on the Swinburne website without charge, and in printed and/or CD-ROM form to workshop delegates, and through the ACM Digital Library to its subscribers.

I further acknowledge that I am the owner of copyright in the paper or papers described below ("the Work") which I have provided to Swinburne for use in the Workshop and other activities.

I hereby:

- (1) grant to Swinburne a permanent, irrevocable, royalty-free, non-exclusive licence (including a right of sublicense) to use, reproduce, communicate to the public, adapt and exploit the Work in any format anywhere in the world,
- (2) release Swinburne from any and all claims or causes of action which I may pursue in respect of, or arising from, any exploitation of the Works.

Details of the Works:

EDAS Paper number: \_\_\_\_\_
